DECLARATION OF FRANCES A. SCARDINO UNDER 37 C.F.R. § 1.68

I, FRANCES A. SCARDINO, hereby declare under penalty of perjury as follows:

1. I am the Assistant at the Century City office of Steptoe & Johnson LLP. I have been an employee of Steptoe & Johnson for approximately two and a half (2 1/2) years.
2. At the direction of Andrew Chen, I forwarded a Declaration document by way of certified mail to inventors, Hyon C. Im (hereinafter "Im") and Wesley A. Park (hereinafter "Park") dated May 26, 2009 requesting their signature on the Declaration. See **Exhibit A**.
3. On May 28, 2009, I received a Return Postcard with Im's signature indicating that he had received the Declaration document. See **Exhibit B**.
4. On May 29, 2009, I received a Return Postcard with Park's signature indicating that he had received the Declaration document. See **Exhibit C**.
4. As of the date of this Declaration, despite my diligent efforts, I have not received the executed Declaration from either Im or Park.

All statements made herein of my own knowledge are true and all statements made on information and belief are believed to be true. These statements were made with the knowledge that willful false statements and the like are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and willful, false statements may jeopardize the validity of the application or any patent issuing thereon.

Executed on July 21, 2009, at Los Angeles, California.

A handwritten signature in dark ink, appearing to read 'F. Scardino', is written over a horizontal line.

Dear Mr. Im:

We represent Bally Gaming, Inc. and prosecute patent applications on their behalf. The above referenced applications were assigned to Bally Gaming, Inc. by Anthony L. Fontaine. It is our understanding that you may also be an inventor of the above-referenced applications. If this is correct, we are currently seeking to have you execute a declaration for the U.S. Patent Office, confirming that you are indeed an inventor of the above-referenced applications.

On December 27, 2001, we filed the above-identified patent application, which was based on the three referenced prior applications listed above. At the time the application was filed, we forwarded the enclosed patent application and declaration for your execution to your former employer, Vasco Data Security International in Oak Park Terrace, IL.

Doc. # CC-205891 v.1

Mr. Hyon C. Im
May 26, 2009

We were informed by Vasco that you were no longer employed with them, and, as such, we do not believe you ever received a copy of the application, or were able to execute the enclosed Declaration, indicating that you were one of the inventor listed on these applications.

Please find enclosed a copy of the patent application that was filed on December 27, 2001 and a Declaration for your execution and return, which, when received, will be filed with the U.S. Patent and Trademark Office. A return receipt envelope is enclosed for your convenience. We have also enclosed an assignment of the patent application to Bally Gaming, Inc. for your execution and return.

We appreciate your assistance. If you should have any questions, please do not hesitate to contact me. As we stated above, we are attorneys for Bally Gaming, Inc. and do not represent you or your former employer, Vasco. As such, it is recommended that you to contact independent counsel should have any questions regarding this matter.

Sincerely,

Robert L. Kovelman

ASSIGNMENT

This Assignment is made by HYON C. IM of Sugar Land, TX, and WESLEY A. PARK of Franklin, TN, Assignors, to BALLY GAMING, INC., a Nevada Corporation, Assignee, having a place of business at 6601 South Bermuda Road, Las Vegas, NV 89119-7990;

WHEREAS, Assignors have invented a new and useful REMOTE ACCESS VERIFICATION ENVIRONMENT SYSTEM AND METHOD and Assignors believe themselves to be the original first inventors of the invention(s) disclosed and claimed in U.S. Application Numbers 60/145,068, 09/612,476, 09/854,438, and 10/033,716; and

WHEREAS, Assignee desires to acquire by formal, recordable assignment the entire right, title and interest in and to said invention, said Application, any Letters Patent, and all other related and associated intellectual property that may be granted for said invention(s) in the United States and throughout the world;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignors have sold, assigned, transferred and set over, and by these presents hereby sell, assign, transfer and set over to Assignee all of Assignors' right, title and interest in, to and under said invention(s) said Application, and all other related and associated intellectual property (including, but not limited to copyrights, trademarks, know-how and trade secrets), including (a) the right to apply for patents in the United States of America and in all foreign countries for said invention(s), (b) all application for patents for said invention(s) or based on said Application in all countries, now filed or to be filed, including all non-provisional, divisional, renewal, substitute, continuation, continuation-in-part and convention applications based in whole or in part upon said invention(s) or upon said Application, (c) all patents which may issue on said invention(s) and on any application transferred by this Assignment in the United States and foreign countries, and any and all reissues, reexams, extensions, divisions, renewals, substitutes, continuations or continuations-in-part of patents granted for said invention(s) or upon such Application, for the full term or terms for which the patents may be issued, and (d) every priority right that is or may be predicated upon or arise from said invention(s), said Application and such patents under any applicable international or bilateral treaty, agreement or convention. Assignors hereby authorize Assignee to file a patent Application or any other application in all countries for any or all of said invention(s) in Assignors' name, or in Assignee's name or otherwise as Assignee may deem advisable, under any international or bilateral treaty, agreement or convention, or otherwise.

Further, Assignors agree that, upon request and without further compensation, but at no expense to Assignors, they and their legal representative(s) and assigns will do all lawful acts, including the execution of papers and the giving of testimony, that may be necessary or desirable for obtaining, sustaining, reissuing or enforcing a Letters Patent or other intellectual property rights in the United States and throughout the world for said invention, and for perfecting, recording or maintaining the title of Assignee, its successors and assigns, to said invention, said Application, any Letters Patent granted for said invention, or any other intellectual property rights in the United States and throughout the world.

Assignors represent and warrant that they have not granted and will not grant to others any rights inconsistent with the rights granted herein.

IN WITNESS WHEREOF, Assignors have executed this Assignment on the dates written hereinbelow.
